SUBJECT: **FUNDING REALLOCATION FOR SPIRITT FAMILY SERVICES, INC.,
CONTRACT NO. H-801666**

This is to inform you that we plan to implement the adjustments and reallocations provision for our agreement with Spiritt Family Services, Inc. using the delegated authority by the Board on May 30, 2006 (Board Agenda Synopsis #34). This provision allows the Director of Public Health or his authorized designee to reallocate funds up to 25 percent of the contract's budget, or \$100,000, whichever is greater.

I am recommending this funding reallocation to enable the agency to maximize contract services and funding. Alcohol and Drug Program Administration is proposing to adjust the contract as indicated in the following attachments:

Attachment 1 - Description of the services affected by this amendment

Attachment 2 - Agency's current and proposed funding amounts

If you have any questions or need additional information, please let me know.

Outpatient Counseling (GR)

Outpatient counseling services are nonresidential drug and alcohol treatment and recovery services provided to General Relief recipients who have drug and/or other alcohol related problems. Services include crisis intervention, counseling, and client referral services. Referral may be made to medical detoxification services, residential and recovery house services, methadone services, psychiatric services, or other appropriate treatment services. Duration of treatment is for a maximum of five (5) months, and may be extended upon prior written approval of Alcohol and Drug Program Administration. Clients receive counseling at least two (2) times per week, and attend self-help support groups at least two (2) times per week. Clients not returning for thirty (30) calendar days are discharged.
